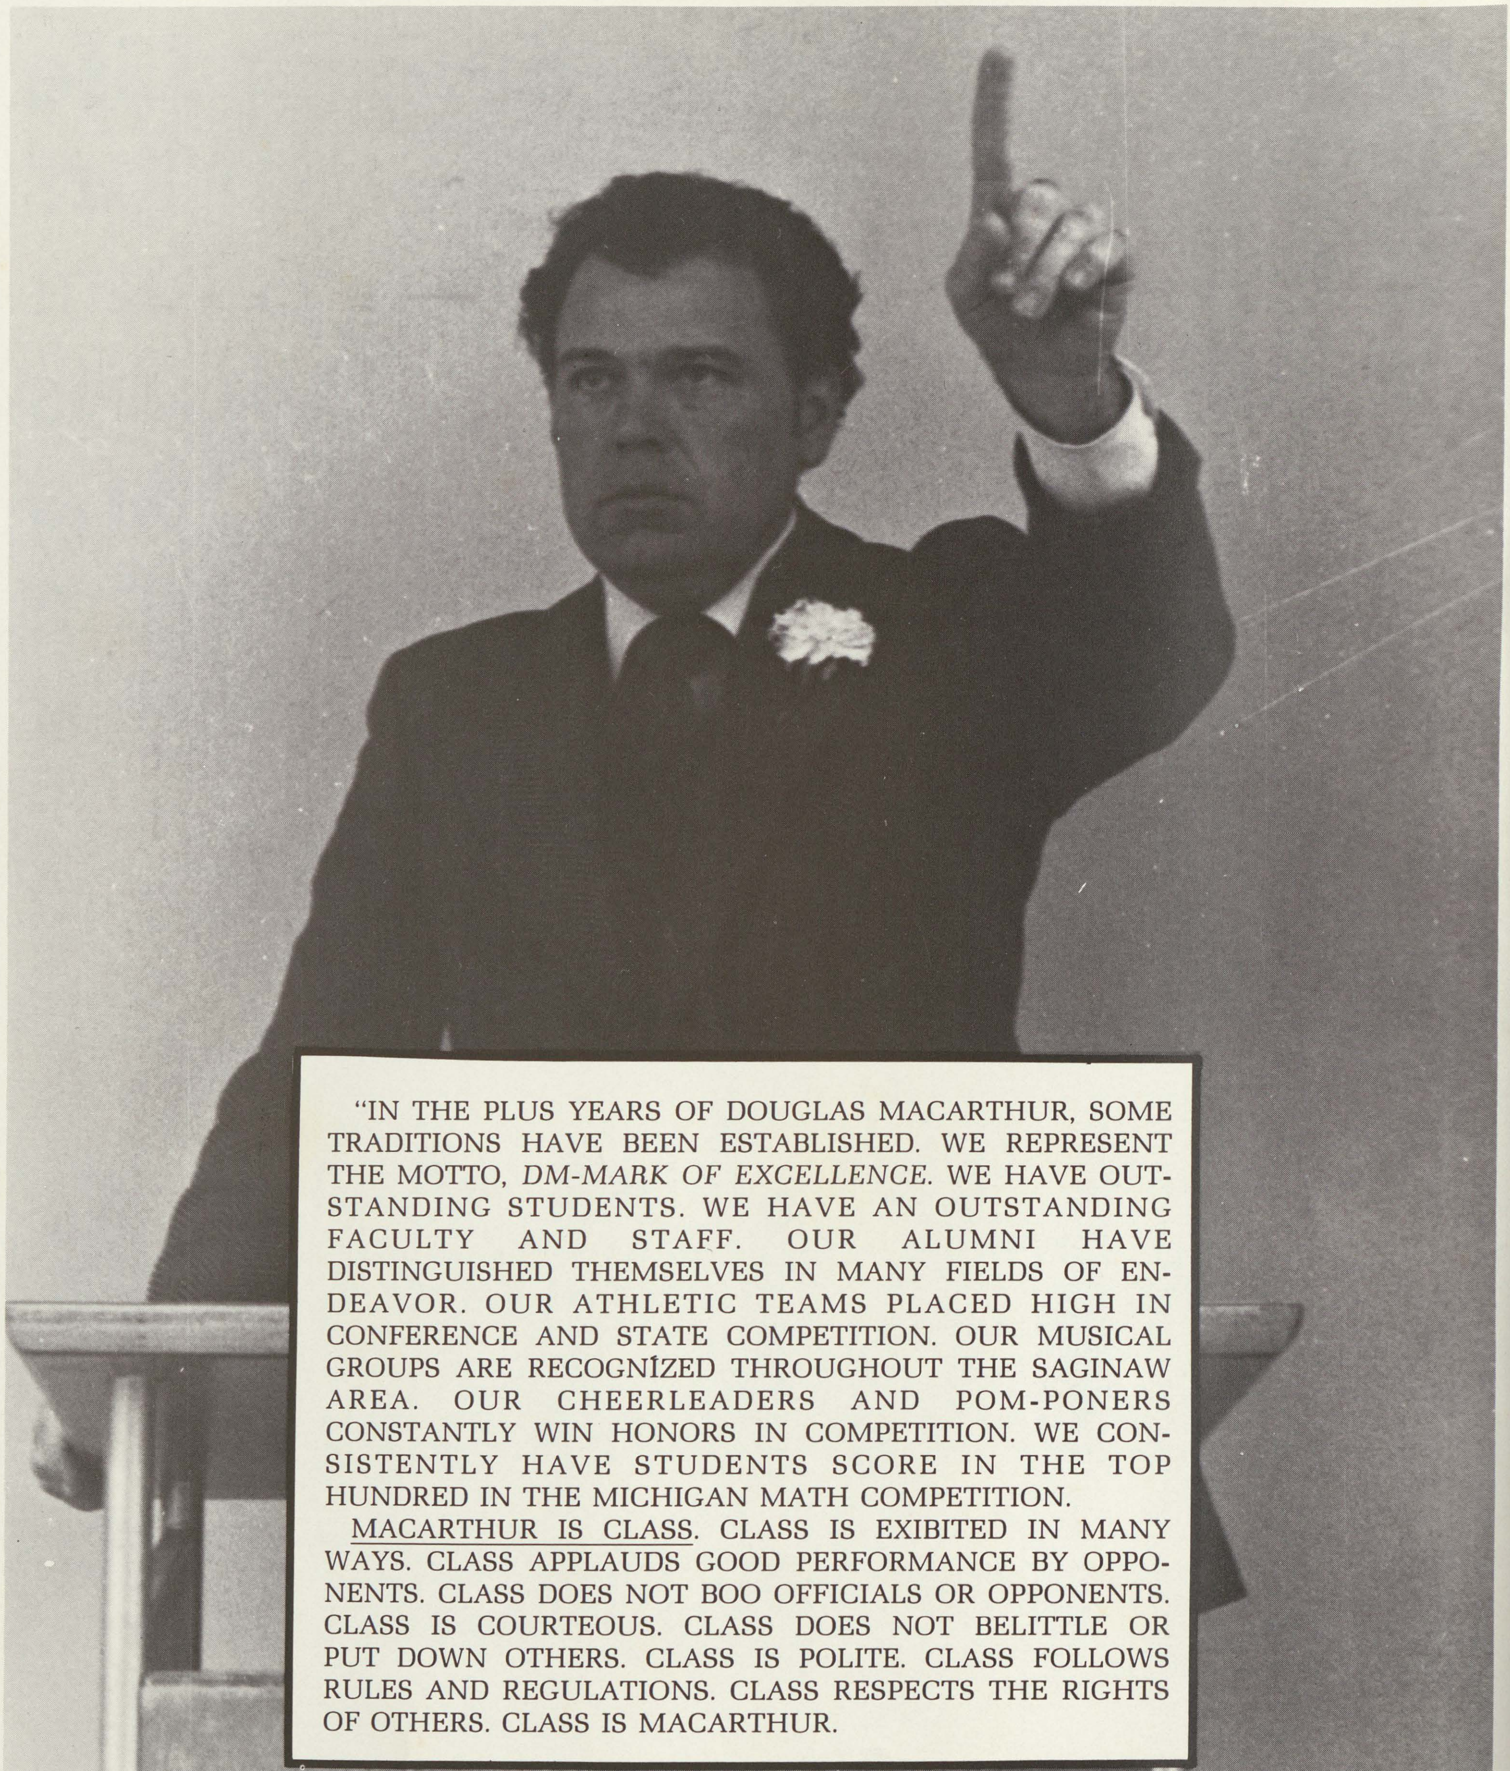
MACARTHUR IS CLASS



"IN THE PLUS YEARS OF DOUGLAS MACARTHUR, SOME TRADITIONS HAVE BEEN ESTABLISHED. WE REPRESENT THE MOTTO, *DM-MARK OF EXCELLENCE*. WE HAVE OUTSTANDING STUDENTS. WE HAVE AN OUTSTANDING FACULTY AND STAFF. OUR ALUMNI HAVE DISTINGUISHED THEMSELVES IN MANY FIELDS OF ENDEAVOR. OUR ATHLETIC TEAMS PLACED HIGH IN CONFERENCE AND STATE COMPETITION. OUR MUSICAL GROUPS ARE RECOGNIZED THROUGHOUT THE SAGINAW AREA. OUR CHEERLEADERS AND POM-PONERS CONSTANTLY WIN HONORS IN COMPETITION. WE CONSISTENTLY HAVE STUDENTS SCORE IN THE TOP HUNDRED IN THE MICHIGAN MATH COMPETITION.

MACARTHUR IS CLASS. CLASS IS EXIBITED IN MANY WAYS. CLASS APPLAUDS GOOD PERFORMANCE BY OPPONENTS. CLASS DOES NOT BOO OFFICIALS OR OPPONENTS. CLASS IS COURTEOUS. CLASS DOES NOT BELITTLE OR PUT DOWN OTHERS. CLASS IS POLITE. CLASS FOLLOWS RULES AND REGULATIONS. CLASS RESPECTS THE RIGHTS OF OTHERS. CLASS IS MACARTHUR.

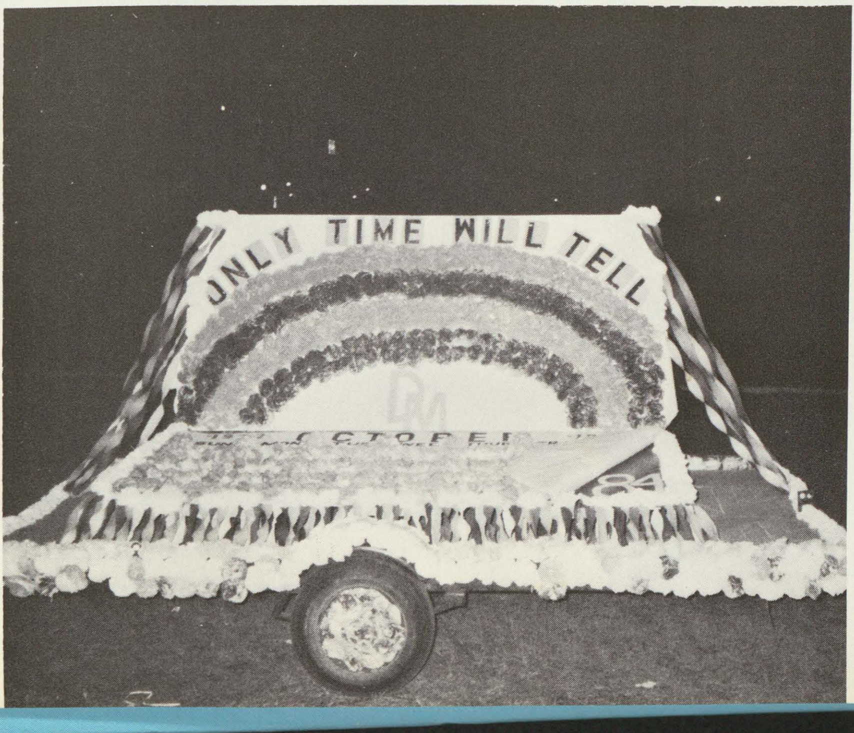
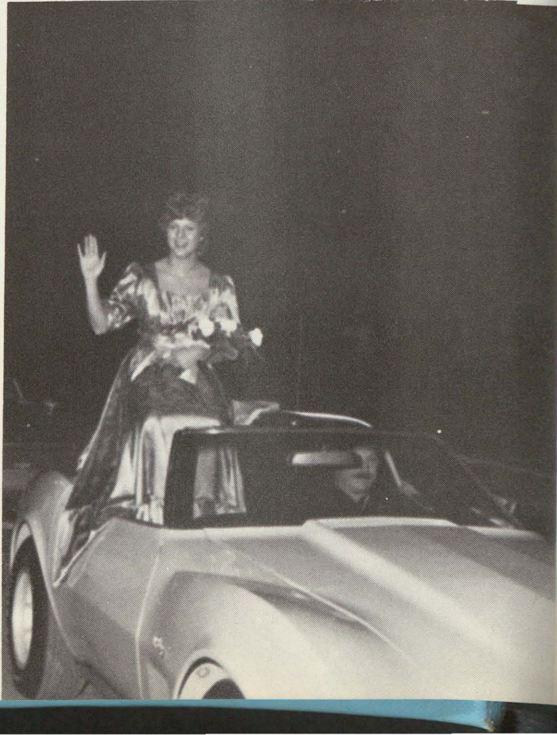
ONLY TIME WILL TELL



ONLY TIME WILL TELL



Homecoming 1982 was filled with many special events that many people will never forget. The Homecoming Court was chosen by the Senior Class, and then the entire school body selected Bonnie Gleffe queen after hearing speeches by all seven candidates at an all-school assembly.

Only Time Will Tell was chosen as the Homecoming theme. Each class designed a class float that represented the meaning of the theme. The Best Displayed Float Award, which consisted of a rainbow and a detailed calendar, was won by the Junior Class

Bonnie Gleffe was crowned by the preceding queen, Sue Foltz. Principal Strautnieks was unable to attend the ceremony, and so Assistant Principal Stahl escorted the queen. Mr. Stahl commented, "I feel very honored to represent the school and be part of the occasion, and also glad to be able to kiss the queen."

The class floats were judged and the pom-pon squad did a routine to *65 Love Affair* for all the Seniors born in 1965. The night was truly a success with a Douglas MacArthur win of 25-0 over B.V!

The dance was held on Saturday night, October 23. It will hold many special memories for those who attended. The Kiva was decorated in the four seasons to complement the theme *Only Time Will Tell.* The couples danced to the music of Diamondhead. The Homecoming events were sponsored by the Student Congress.

(*upper left*) Janet Simpkins and Mike LaDouce proudly walk down the aisle after the crowning assembly. (*upper right*) Bonnie is pictured with her parents, Mr. and Mrs. Gleffe, and Drum Major, Becki Dewald, during the halftime festivities. (*middle left*) Jackie LaBreche waves to the crowds in the stands while parading in Corvettes at halftime. (*middle center*) Mr. Stahl presents Bonnie Gleffe with a D.M.H.S. football as preceding queen Sue Foltz looks on. (*middle right*) The Varsity football captain, Butch Call, capes the newly crowned queen Bonnie Gleffe. (*Bottom Right*) Freshmen Cheerleaders: Front Row- Terry Perry, Shelly Kissane, Tori VanHorn. Middle Row- Heidi LaDouce, Sara Wilhelm. Back Row- Beth Brazinski, Kelly Zimmerman.

Goal number one for the "83" Cheerleading squads was to get the students more involved and to raise school spirit. This was demonstrated at many games and other activities.

The Varsity Squad for the first time cheered at the soccer games that were held "under the lights". They also traveled with the pep bus to cheer for the D.M.H.S. soccer team which had advanced to the State semi-finals.

Both varsity and junior varsity squads attended camp last summer held at Western Michigan University. Both squads received many first and second place ribbons for group enthusiasm, and competition floor cheers.

Raising money is one of the top priorities on the cheerleaders list. This year the varsity squad sold candy bars, and had a bake sale. The J.V. squad sold M & M's. All of the squads held car washes, and garage sales.

One addition to the squads this year was their new coach Margaret Breen. Margaret had a lot of past experience with cheerleading. She attended St. Stephens High School, and Ferris State College.

The captains of the freshman squad were Terry Perry and Tori VanHorn, the J.V. captains were Kathy Klonowski and Laura Wistehuff, and the varsity leaders were Ann Kelley and Amy Guimond.

The seniors on the varsity squad who graduated were Ann Kelley and Patti Webb.

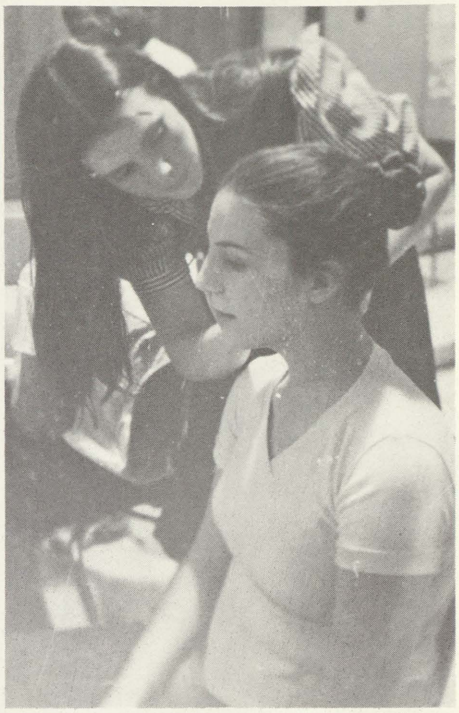
FROM PRACTICE..........



A hush of silence falls over the audience as the house lights dim. The curtain rises to reveal a living room/dining room appropriately decorated to give a 1930's air. It is opening night of the Douglas MacArthur fall play, *You Can't Take It With You.*

Directed by Mr. Charles Laundra, *You Can't Take It With You* was presented to a receptive audience on November 12 and 13, with Stacey Kingsbury and Tim Royle starring in the lead roles. Special acknowledgements were given to Miss Jo Ellen Laundra who served as costume designer and stage manager and Mr. Richard Granville who acted as makeup advisor and set designer. Many cast members were also part of the production staff with Ruth Fortier serving as property manager, Brandon Baswell, Loren Randall and Eric Kessler working on set construction and Liz Elliott and David Richard acting as ticket sales' managers. It should also be noted that the music used in the performance was recorded on the Temple Theatre Pipe Organ in 1974 by the late Mr. Wesley Dietiker.

From a critical standpoint *You Can't Take It With You* exhibited much hard work on the part of the actors and the director and was carried out in a professional fashion. It proved to be enjoyable not only for the audience but the actors as well.

(*top left*) Kim Eckhouse who played Alice Sycamore and Ruth Fortier who played Rheba hurriedly practice their lines backstage before their entrance. (*top right*) Karen Angers sits patiently as a Pit and Balcony makeup artist transforms her into the Grand Duchess Olga Katrina. (*bottom right*) Stacey Kingsbury, Brandon Baswell and Erich Heuschle go through a long and tedious rehearsal.

FINE PERFORMANCES

"Coaching the pom pon squad has been an enjoyable and rewarding experience. I found the job not only calls for a coach but also a friend, counselor, and sometimes just being there when a shoulder is needed," said Mrs. Bonnie Eaves.

The fifteen talented girls on the varsity pom pon squad, led by captain Janet Simpkins and co-captain Pam Fisher, dazzled the crowds at both the football andbasketball games. Besides their Tuesday and Friday night performances, they competed at Central Michigan University. At the annual summer camp session, the girls recieved five blue ribbons for their nightly performances, and also won the ripple, song, and mascot competetion. They placed among the top three squads for their senior kickline and won the showmanship award. Janet Simpkins was the Miss Badgerette finalist's was named to the all-star squad. Furthermore, the girls returned home with two first place trophies for originality and for receiving the most points overall.

Pep assemblies found the girls performing such routines as "Get Nervous", "Your Love is Drivin' Me Crazy", and "Talk to ya Later", by the group Tubes. As the year came to a close, the squad traveled down to the Pontiac Silverdome to compete against the state's top ten squads.

The junior varsity squad, worked just as hard and their smiles and ambition could be seen in their performances. They practiced every day after school and paprticipated in many money making activities to support the program.

Coach Eaves remarked, "Each girl on the squad is an individual but when they are on the gym floor or the football field, and the music begins, they become a unique time piece all working together at the same beat. I have thoroughly enjoyed working with both squads and enthusiasm is certainly one quality these girls don't lack."

......A FIVE STAR STAFF

Some of the highlights in *The General News* for the 1982-83 school year were: Homecoming, Project Outreach, Soccer, Football, an article concerning lunch hours, Valley Girls, the school dress code, Kiva changes, favorite movies, co-operative school scheduling, Competition Plays, Up With People, teenage depression, D.M.H.S. Jockettes, and who really owns Center Road.

The staff was, once again, under the guidance of Linda Howdyshell. Student editors were: Editor-in-chief, Kim Leesh; News Editor, Julie Bow; Feature Editor, Lori Diehl and Monique Ebell; Sports Editor, Shelli Landeryou. Staff Photographer was Kathy Toft. Reporters for the news were: Ann Bieri, Dan Dunham, Lori Fischer, Tom Haeger, Justin Jameson, Sarah Morley, Kamela Mossner, Ruth Rosenbaum, Archie Swanson, and Jim Zimmerman.

The objectives for the staff were to inform and entertain. Much more than meets the eye goes into publishing a school paper. Staff members must find stories,conduct interviews, write copy, type copy, take pictures, plan layouts, and sell ads.

It was an exciting and great year for the Vocal Music classes led by Linda Schopp. Their outstanding performances included two concerts, a performance at the State Capitol, and the musical *South Pacific*, a joint effort between MacArthur and Eisenhower.

The Triple Trio: Jill Cleveland, Julie Corns, Laura Diffon, Mary Giltrop, Ann Kelley, Julie McQuillan, Melissa Prohaska, and Jacqueline Rowe, Janet Simpkins, and pianist Nancy Kunnen had an outstanding year also, totalling an amount of 65 performances The Trio performed at the state level in Solo-ensemble and received a one!

The General Review, another outstanding group also had a good year. Their performances, 25 in all, included the Delta Music Fair, The Jr. League Showhouse, and DMHS graduation, to name a few. The General Review is made up of 8 members: Scott Awad, Tom Bliss, Becki Dewald, Tim Harris, Stacy Kingsbury, Lyle Miller, Julie Remmers, Betty Ruple, and pianist Sperry Zimmerman.

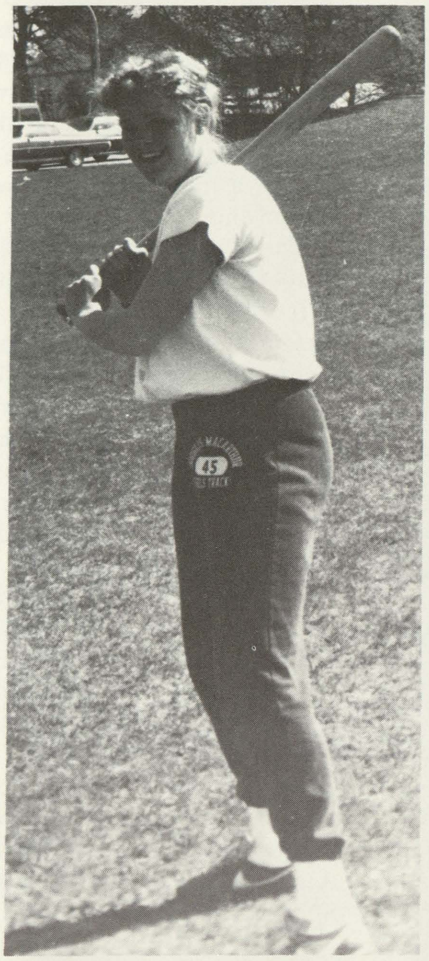
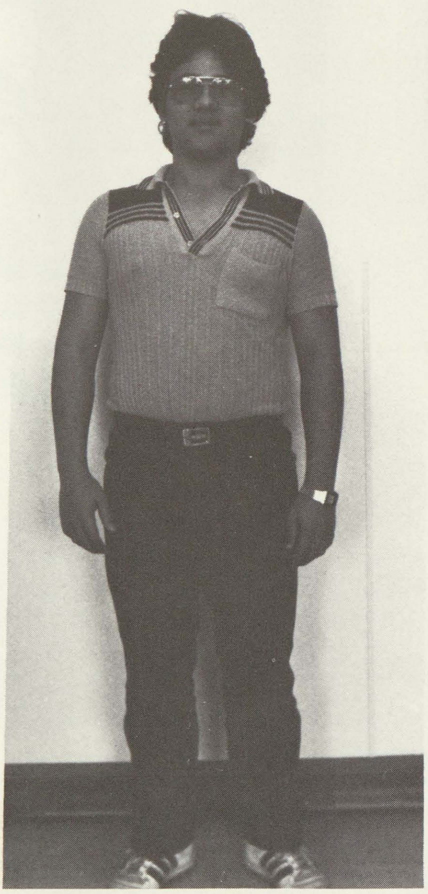
NEW PLACES, NEW FACES





Imagine traveling across the world, to a new country. Imagine how it would be to spend a year there, experiencing new foods, fads, customs, weather, language, and school system. Five Douglas MacArthur students have experienced that.

Palmario Neto, an exchange student from Brazil, claims his favorite things about America are: McDonalds, the big cities, the four seasons, and movie life. Palmario also says, "I can say I'm having a really good time here. I've learned about the American School System, about American life, and other things that are very important too me."

Mitzy Renooy is from the Netherlands. She feels Douglas MacArthur has a lot of routine, because the schedules are the same every day. She likes high school in America because it's easier, also she feels the teachers are active and fantastic. She feels there is too much pressure on teenagers if you don't have a car. Her favorite things in America include: salad bars, sports clothes, and the fact it's easy to get your drivers license.

Lena Thorsén is from Sweden. Her favorite things about America include the fact we have a lot of school spirit. Lena also feels people are to dependent on cars and misses taking buses. Her favorite things about Ammerica include the radio stations, fast-food places, and doughnuts. "I'm very glad to have been a part of DM, Saginaw, and American life. This has been the best year of my life and I wil always remember the many friends I have here."

Alexandre Urquiza is also from Brazil. Before coming to MacArthur, Alexandre was a student at Arthur Hill. He claims the students are more friendly than at Arthur Hill, and the school system is easier than in his country.

Lucianna Morbin, another exchange student from Brazil, was here only for three months.

They liked seeing the road bare.

THE SEA

The pounding blue sea crashes against the huge rocks.
Tumbling, turning, tossing, out in front of me.

The grains of soft sand, the people coming and going
From the earth, disappearing from the land.

At the edge of the blue beast lies a lightened blue.
As beast and beauty set so calmly.
Soon will be deceased.

COMPUTERIZED JOURNALISM

One of the first of seven schools in the world to have a computerized Yearbook was the honor accorded to the Douglas MacArthur Yearbook Staff. A word processing computer at our school sets type at the yearbook publisher's in Kansas City Mo., via a telephone modum. Using a computer will help in eliminating typographical and human errors and save on the cost of paying human type setters.

The Yearbook staff starts planning and organizing even before the actual school year starts, and with the first day of school the real work and pressure begin.

The staff members take great pride in their production of a 200 page yearbook. They sell ads and S.O.'s, work Bingo's and set up the biggest dance of the year. The Yearbook Dance traditionally starts of the school's social scene, where each new Yearbook is distributed to the eager purchasers.

Our 1981-82 20th Anniversary edition received an award: "For achievement in quality publications, service to its school and community and is awarded the rating of *First Award*." The Yearbook was evaluated by the G.L.P.P.A. Publications Service with the authorization from the School of Journalism, Bowling Green University.

Nancy Hainsey served as faculty advisor. Michele Cinque was Business Manager and Beth Pruitt her assistant. Pam Fisher was Editor and Georgann Tarachas her assistant. Dave Taylor served as Sports Editor. Roger Smigiel directed photography and dark room developing and printing. He was assisted by Tiffany Davis, Debbie Herzog, and Jason Turner.

SERVICE, LEADERSHIP AND HARD WORK

National Honor Society is an organization founded upon outstanding scholarship, leadership, character and service. The Douglas MacArthur chapter prides itself on selecting those students who have excelled in these four areas. In order to be eligible for membership, juniors and seniors must obtain a 3.0 grade point average and sophomores must rank in the top ten of their class. The nominees are then voted upon by the faculty and those who are chosen are "kidnapped" from their first hour classes. Formal induction occurs at a later date during their class honor banquets.

Once members of the National Honor Society, students must be active participants in the group if they are to maintain their membership. Each individual is required to attend six meetings out of nine per year and take part in at least three service projects. During the 1982-83 school year examples of planned service projects included the Channel 19 Auction in late March and a car wash in mid-April. Members also hosted visiting students from Eisenhower High School and they themselves spent a day at Eisenhower.

MUSIC AT ITS BEST

Under the direction of Drum major Becki Dewald, the Marching Generals were ledthrough another tough season. Outside of the Friday night football games, they marched the annual Christmas parade which was held on November 20. They also performed at the soccer game "under the lights." The marching bands final performance was the Christmas concert held in December.

Tri-M, Modern Music Masters, is an extracurricular group consisting of very talented performers. The group includes people from both band and choir. This group performs their annual play at the Christmas concert. This year's play was entitled "Rudolf" and was written by students: Lyle Miller, Nancy Kunnen, and Greg Gulliver.

MICHIGAN STATE

The Concert Band, which consisted of 40 members, once again showed their talents at the annual Christmas concert. The band also participated at the District Band Festival held on March 12, in which they received medals for their II Division rating. They wrapped things up with their Spring concert held on May 17.

The Pep Band showed their unique skills at all the home basketball games and pep assemblies. They also performed for the Saginaw News Football Awards Ceremony. This band consisted of members from the Concert Band.

The DM Jazz Band had another very successful year. They performed at Arthur Hill High School along with other area jazz bands. The highlight of their season was performing at the Spring Concert.

FOREIGN LANGUAGE

The 1982-1983 school year demonstrated a large involvement in not only foreign language, but the language clubs as well. D.M. students showed a fine exihibition of participation and generally fun during National Foreign Language week. All sorts of contests in language skill were conducted. Perhaps the highlight of the week was the Spanish Club's taco's, the French crepes, the German Club's pastries, and the sno-cones with a touch of Rome added. The annual inter-clubal softball game was yet another example of the exicitement and fun resulting from the tremendous involvement in the MacArthur foreign language department.

The German Club officers were: President, Amy Oeschger; Vice-President, Cindy Richard; Treasurer, Dean Hanton; Secretary, Paul Skentzos.

The French Club officers were: President, Alicia Mey; Vice-President, Kelly Boertner; Treasurer, Nancy Kunnen; Secretary, Linda Huff.

The Spanish Club officers were: President, Linda Huff; Vice-President, Alicia Mey; Treasurer, Scott Awad; Secretary, Amy Schwanbeck.

The Latin Club officers were: President, Andre' Borrello; Vice-President, Mary Pfund; Secretary, Bob Spence; Treasurer, Christie Patterson; Scribes, Jeff Kremin and William Cho.

DEBATING TO THE TOP

"One of the most loyal groups ever," was just one of the many positive comments made by Mrs. Grace Makrianis, the coach of Douglas MacArthur's debate teams. Exceptionally talented speakers helped lead the Junior Varsity, Novice and Mini-Novice teams to a very successful season.

First place for best speaker was received by Dwight Ezop of the Novice team. Linda Huff placed second and John Fitzpatrick took seventh for speaker awards to help lead the Novice team to a second place finish in the Thumb B League.

This past year a new division was added to the league: it was a Mini-Novice team. MacArthur placed first in that division.

The 1982-83 debates were focused on the topic: "The United States should significantly curtail the arms' sales to other foreign countries." Each year there is a different item which all the teams discuss.

(*Top*) The members of the 1982-83 debate teams are as follows: Bottom Row, left to right; Brian Benjet, Jim Clark, Scott Baswell, Greg Miller, and Brian Weimer. FIGURES OF SPEECH

"This has been our best and most successful forensics' year," commented Mrs. Grace Makrianis, coach for the 1983 Forensics Squad.

For those people who wonder what forensics really is: Forensics encompasses the total field of communication, all the way from radio news speaking to dramatic interpretation reading.

This year the Forensics Team placed high in the Regional competition. Dwight Ezop placed second in incomplete speaking, and Amy Schwanbeck finished fifth in dramatic interp. Other Regional placements included: Jim Clark and Lisa Thomas sixth in dramatic duo, and Linda Huff who placed sixth in radio news. In the State competition, Dwight Ezop placed 13th in incomplete speaking, while Amy Schwanbeck qualified as an alternate.

BUSINESS AS USUAL

There are many business classes that MacArthur has to offer. The people that teach these classes are Mr. Call, Mrs. Bottke, and Mr. Donahue. Mr. Call teaches Retailing, Seninor Marketing, Consumer Education, and Typing I. Mrs. Bottke teaches Typing I, Personal Typing, and Shorthand. She also teaches Business Machines and Procedures, which is a new class. In this class the students learn to use the dictaphone, word processor, and electric printing calculator. Mr. Donahue teaches Typing I.

This year in Senior Marketing class, seven people qualified for the regional D.E.C.A. Contest at Lapeer. Amy Hammis, Lori Littlefield, and Lisa Kennelly went to the State Contest, where Amy took third place in General Merchandising, employee level; Lori took first place on a written test for Supervisory General Merchandising; Lisa took third place for a written test for Supervisory General Merchandising. Lisa has qualified for the Nationals in New Orleans on June 24th, and attended with Mr. and Mrs. Call.

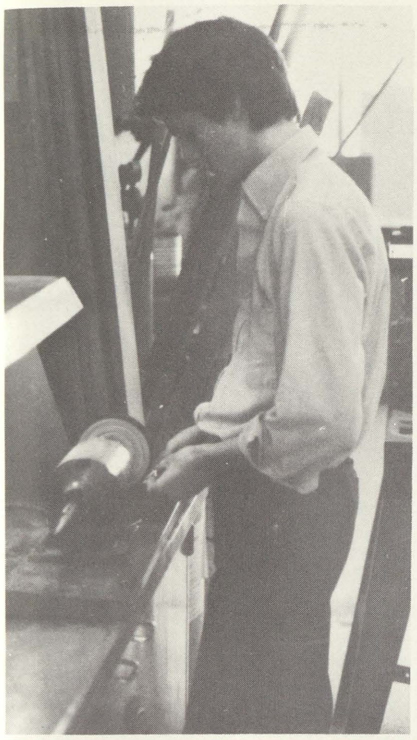
CREATIVE TOUCH

There are many talented artists and a lot of them will be found at MacArthur's Art Center. They will be taking one of three classes offered, those classes are Art Workshop, Art I, and Advanced Art. Mr. Copp, who teaches all the art classes at MacArthur, is well versed in all types of art. The sky is the limit as far as art work at MacArthur goes. Ceramics, jewelry making, painting, clay sculpture, and pastels are just a few of the things an art student may decide to do.

MacArthur art students represent our school at many art shows. They have represented us at Fashion Square Mall, The Women's Club, and at a Scholastic Art Show at Hampton Square Mall. They sell many of their items, and Mr. Copp says that MacArthur usually does better than other schools at the shows. We have been well represented and should be very proud of our young artists here at MacArthur.

Barb Beck observes the work of Peggy Hoeppner and Sarah Fisk. Gina Duran is really "into" art.



SUMMER

"Learning by doing" is the way Mrs. Douglas describes her classes. This year her classes include: child care, food nutrition, clothing and textiles, family relations, and comprehensive homemaking.

Food nutrition is a semester course that deals with food buying and preparation. Learning to sew is the basic theme of clothing and textiles. Mrs. Douglas is also teaching an independent study course for advanced students called clothing and textiles II.

Next year two new classes will be added to the Homemaking Department. They will be interior decorating and on your own. On your own will be a semester course for people who plan on being single. This class will help them learn how to budget and set up their own household all in all the homemaking department offers something for everyone!

LEARNING BY DOING

POTENTIAL POLITICIANS ....

SPRING
FEVER

Unlike some schools, the Douglas MacArthur Student Congress plays an active role in school life and is the main motivation behind most of the school's extracurricular activities.

Some of their activities this year included a food drive and a clothing drive to aid the needy in Saginaw Township.

They also had a student exchange day. The students visited Midland Dow and Arthur Hill.

Student Congress sponsored the concession stand, teacher appreciation day, M.A.S.H. day, pep assemblies, homecoming, general staff, and the school store.

Their present goals are to:

"Improve school spirit"
"Improve faculty/student relations"
"Improve the physical plant"
"Improve image of Student Congress"

Douglas MacArthur is very proud of their Student Congress for helping make the school a better place to learn.

(*Lower Right*) Jim Clark and Laurie Brown portray their characters, Dr. Lyman and Elma.

A small Kansas town inside a restaurant which occasionally served as a stopover for the bus line, was the setting for the Douglas MacArthur 1983 spring play, "Bus Stop", directed by Mr. Charles Laundra.

"Bus Stop", the story of a man's unrequited love and his attempts to marry the woman he loves, was performed March 18 and 19, in the Douglas MacArthur Auditorium.

Starring in the production was Brandon Baswell as Bo Deker, the idealistic young rancher, and Jenny Hausler as Cherie, the chanteuse. Rounding out the cast was Laurie Brown as Elma Bucksworth, a waitress, Luci Colindres as Grace Hoylard, the restaurant owner, and Eric Kessler as Will Masters, the sheriff. Jim Clark was Dr. Gerald Lyman, a former professor. John Mehl was Carl, a bus driver, and Erich Heuschele was Virgil Blessing, a ranch hand.

There were several special acknowledgements given to Mike Meyers, stage manager, and the fine production staff. There was also a special thanks to Dick Granville for all his help as set constructor and assembling makeup personnel.

Spring is the time of the year when everyone feels a little tingle of extra excitement. Well, MacArthur was struck with a case of Spring Fever from May 2- May 5. This of course was Spring Fever Week.

Everyday was filled with fun and crazy activities, thanks to Student Congress. Monday started out the week for it was hat and sunglasses day. Tuesday was beach day. Due to rain, the limbs contest which was scheduled to go on during lunch had to be cancelled . But the volleyball games in which the teachers and Seniors participated, went on as planned. Wednesday was sweats day. Class competition relay games were held during lunch hour. Thursday was the big General Staff Capping Assembly. A large majority of the student body dressed up in their Sunday bests for this. Friday was tacky and tasteless day. The students got carried away and wore clothes that didn't match well at all. This was also the day that ended the exciting week with the last assembly of the year, the Spring Fever Assembly.

(*Top left*) General Dwight Beal and escort Ann Kelly make their way out of the gym. (*Top right*) The faculty shows the seniors a little style. (*Middle*) These students demonstrate just how crazy things get in the spring. (*Above*) The teachers of DM finally show us what they really have.

Friday, May 6, Junior-Senior Prom Night, 1983. Yes, the glorious evening when all the boys get decked out in tuxes, and the girls after many hours of fussing, look pretty as a picture. After attending all of the pre-prom parties and dinners, the couples headed out to the Delta Commons where the dance was held.

The couples boogied to the beat of Ceyx from 9:30 to 12:30. They danced in surroundings that reflected the theme, "Secret Journey". The dance floor was covered with not only couples, but big colorful balloons, and in the corner stood a large castle. On the walls were cotton clouds and above were streamers.

The dance seemed to end only too soon (time flies when you're having fun.) The couples all went their separate ways and journeyed into the night.

83- A CLASS WITH CLASS

"A class with class" is an excellent slogan for the seniors of 1983. This year the seniors had a year full of many "classy" activities.

A bus load of Seniors went down to Daytona Beach in Florida over Easter break, and otheres to Cedar Point after the exams. There was a senior honor banquet on May 11th where many seniors received deserving awards. The outstanding Seniors were also named, and they were Bonnie Gleffe and Dwight Ezop. Bonnie and Dwight Beal were also awarded the Oscar B. Huyghe award.

The Seniors celebrated their last day of school at the senior party which was held at Teds Banquet Hall, Friday, May 27. Seniors also took part in Baccalaureate and Commencement rehearsals, June 3. They ended up their four years of DM with many joyful and happy memories.

Alice Suhr has played the violin since she was eight, a year after she started to play the piano. She has been in many violin competitions, including the Saginaw Symphony's and Germania's competitions where she won either first or second places. Also, she has auditioned for and been accepted into the Julliard Pre-College Division in New York City. During the summer for eight weeks she goes to the Julliard Summer School in upstate New York.

Alice studies with Michael Aushariran, Jr., of Ann Arbor, and has also performed for many distinguished musicians includinig: Joseph Silverstein (concert master and assistant conductor of the Boston Symphony Orchestra); Paul Mackinowitzsky (soloist and professor of violin at University of Michigan) and Anikavafian and Elizabeth Green. Our sophomore is a former member of the Saginaw Symphony Orchestra, and a former concert mistress of Saginaw Youth Symphony Orchestra. Her future plans are to continue musical studies at the University of Indiana.

STATE SEMI-FINALISTS

For the first time in Douglas MacArthur Varsity soccer history, the team went to 10 straight games without a loss and ended the season with a 13-4-1 record. This was a special season for soccer in Saginaw Township, with both high schools, Eisenhower and MacArthur playing matches "under the lights" in the big stadiums. The first match up, played at MacArthur, ended up in a hard fought 0-0 tie in double overtime. The second match was played at Ike, and ended with the Commanders 2-1 victors. The third game was for the State Regional Semifinals, and the Generals proved their superiority by winning 2-1.

MacArthur advanced all the way to the State Semifinals before losing to the eventual state champions Hamtramack 3-2. Last year's Most

Valuable Player was Tom White with 20 goals, something no General had ever done.

The team's Most Improved Player was two year goalie Douglas "Johan" Fox. Coach Jim Stone said,"I was very pleased to have 2 goalies most of the season and and 3 for the last few games and the playoffs." He also commented, "We played more like a team than we had in a long time. I was very pleased with them all. We only had 15 players, but any one of them could play all the time."

The Junior Varsity team had a fine season with a 6-4-3 record. The J.V. Most Valuable Player was Andy Slaggert, while the Most Improved was Rob Groll. Coach Greg Karl mentioned,"We had a young team, but did very well."

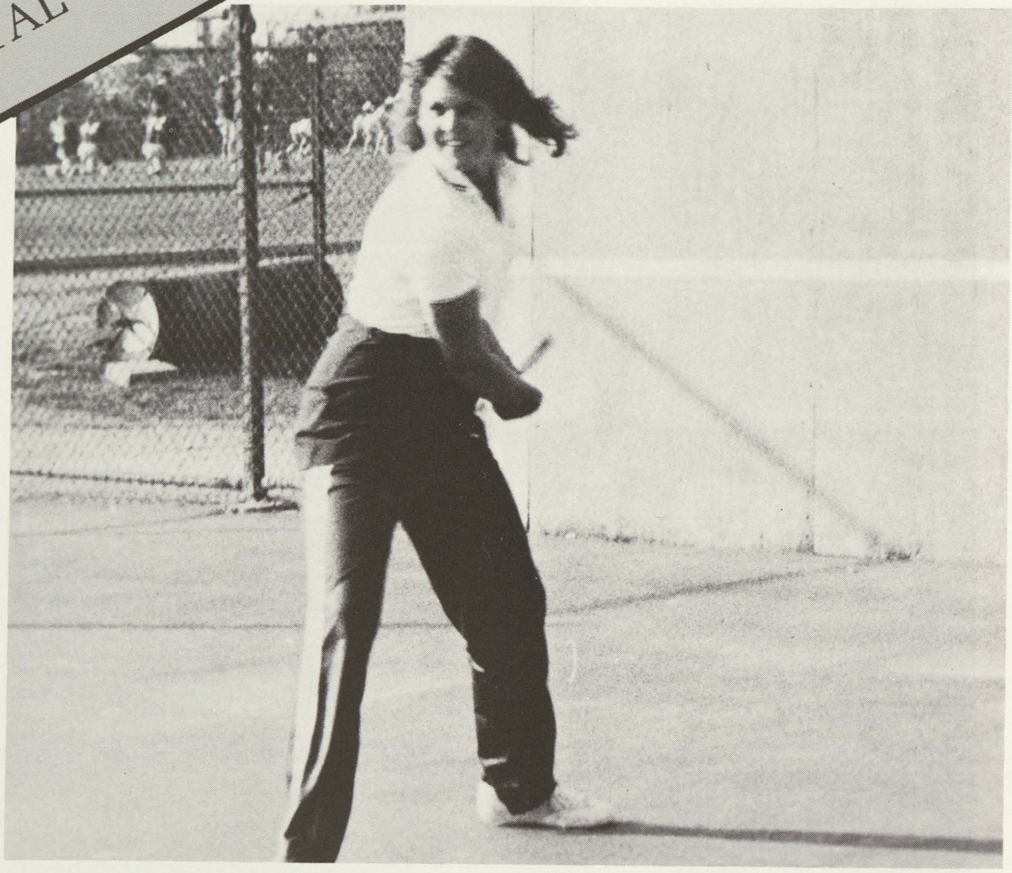
TOTAL TEAM EFFORTS

RAISING A RACKET



Competitive, determined, talented, successful-just a few adjectives that could be used to describe Bob Quinn's 1982-83 Girls' Tennis Team.

The tennis teams at MacArthur have always been a dominant force in the White Pine Conference and the 82-83 team was no exception. They posted an 8-0 record in dual matches within the White Pine, and a 10-1 over-all record. The team's only loss of the year was to Midland Dow. Just as last year, the girls fared better than any other tennis team had in the past.

The "swingers" cleaned up at the Conference Championships where Amy Lichon, Pam Gomez, and the tandem of Beth Pruitt and Joie Lucas, were crowned champs. Mary Novak and Penny Eischer were runners-up in the number one and four singles' sspots respectively. Cammie Connolly and Susan Devetski were number one doubles' runners-ups, while Cindy Eischer: Karen Pfander claimed second place in the number two doubles' position.

AT STATE

The girls won the Regional Championship for the second year in a row and came out of the tourney with four regional winners in Amy Lichon at number two singles, Pam Gomez at number three singles, and the duo of Pruitt and Lucas at number three doubles. Freshman Penny Eischer grabbed the 4 singles' runner-up spot. By winning the Regional, the girls earned the opportunity to participate in the State Championships at Holland, where they surprised everyone by earning fourth place honors. Freshman Amy Lichon became the first tennis player at D.M. history to win a State Championship when she won the 2 singles' position.

Mary Novak, Amy Lichon, Pam Gomez, and Penny Eischer were selected for the All-Conference team. Honorable mentions went out to Cammie Connolly and Cindy Eischer.

Senior Mary Novak and Freshman Amy Lichon were named to the Class "B" All-State team. This was Miss Novak's second year to be named to the squad.

Hard work paid off for the Varsity Golf Team taking them to an undefeated record of 16-0 this year.

According to Coach Ron Stelter, "The Varsity Golf Team had a very successful season; they played very well and worked quite hard during the year."

Senior Bill Keopke led the team with a low average of 79.0. He was also a medalist in the Conference.

Scott Jacqmain, who is a junior, was second with an average of 81.1. He tied for first medalist in the Regionals.

Tom Haeger, also a junior, was third on the team with an average of 82.0.

John Arlt, a senior, was next with an average of 84.5. He was known to come through for the team on some key matches.

The rest of the team consisted of Chris Massey with an average of 86.2, Dave Boissonneault 87.5, Steve Deisler 88.3, Darnell McKandes 89.2, and John Jacoby who did not participate in any meets.

The team placed first in the White Pine Conference, first in the Regionals and thirteenth at the State Meet.

Coach Ron Stelter was very proud of his Varsity Golf Team for qualifying for state, and he is also expecting a good strong team next year.

The J.V. team also had a good season and ended up with a record of 6-5 this year.

THAT ALMOST WAS

Bernie Call's 1982-83 Girls' Basketball Team posted a 10-11 over-all record and a 3-7 record in the White Pine Conference, but figures can be misleading; The girls had a much better season than their record might indicate. For example, the girls, in both Conference and non-Conference games, outscored their opponents by a total of one-hundred points. In manv games the fourth quarter was the deciding quarter, and it either won or lost the game for the lady cagers. Eight of the Generals' twenty-one games, were decided by a margin of four or less points. The gals lost their play-off game to the ever tough Buena Vista Knights, 39-35.

Many special honors were presented at the Awards Banquet. Kris Johnson was elected the Most Valuable for the third year in a row. Annie Bieri was honored with a Defense Award in recognition of her hustle when the team was on the defensive. The Most Improved Award was shared by two Freshman, Cindy Schaeff and Kelli Ureche.

Quite a few awards were gained outside of the banquet also. Senior Kris Johnson was named to the All-Conference First team, while another Senior Mary Novak, Junior Martha Ryan, and Freshman Cindy Schaeff each got All-Conference Honorable Mention nods.

Class "B" All-Area honors were almost an exact duplicate of the White Pine's, where once again Johnson was elected as a first teamer, while Novak and Ryan were once again honorably mentioned.

CALL MAKES ALL-AREA

A COMEBACK SEASON

With the temperature in the 70's and humidity in the 90's, the Douglas MacArthur Varsity Football Team started the season off with a hard fought victory over Hemlock 20-14. Despite the tough conditions of that night, MacArthur played like MacArthur should play. Then followed a discouraging five game losing streak. Although these games were losses, the team's hard work showed through. In many cases, the weather provided some very difficult games in mud and pouring rain.

The team came back at the end of the season to win the last three games. One of the highlights of these three was the overtime win in the game against Chesaning which ended with a score of 20-14.

At the awards banquet for the Varsity Team, Butch Call received both the Captain's Award and Most Valuable Player. Matt Call received Most Valuable Offense while George Weber received Most Improved Player.

Other recipients of special awards at the end of the season were Tony Grabowski who received Honorable Mention All-Area and Butch Call who received All-Conference White Pine, Saginaw News All-Area Team, and U. of M. All Area. The season's QB's were Matt Call and Joe Battaglia. Says Coach Skillman of last year's Varsity Team, "I was happy that we showed enough character to come back and win the last 3 games."

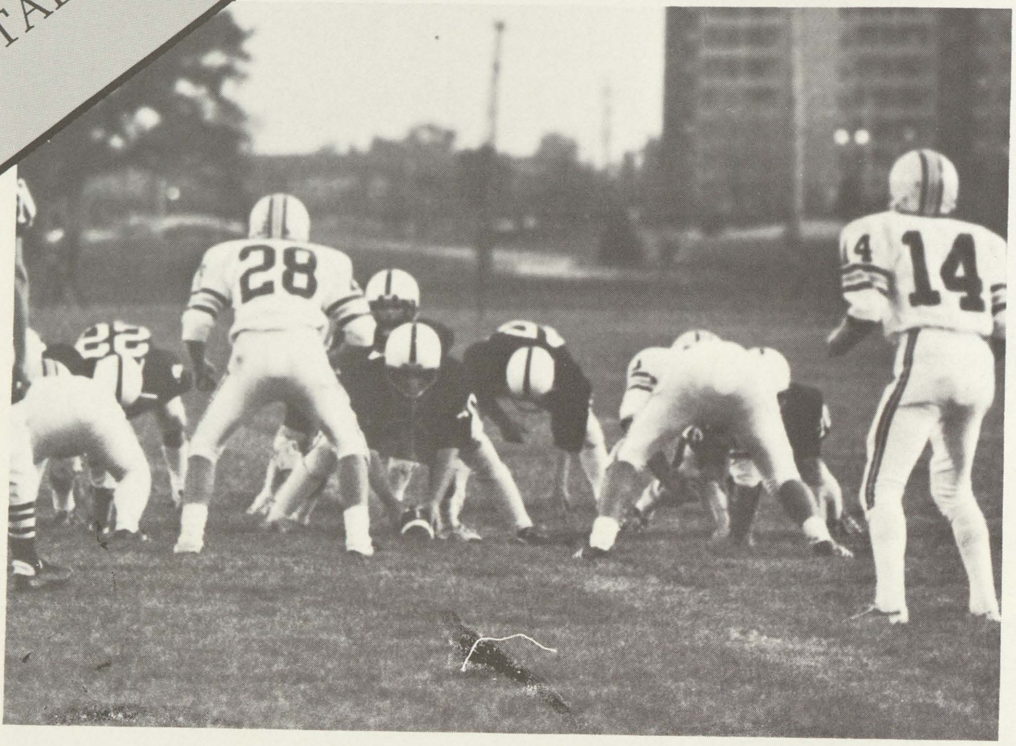
TOTAL TEAM EFFORTS

WINNING SEASON



"The team's best characteristic was how they kept in there every week no matter if they were ahead or behind," Coach Bernie Call says of this year's hardworking Freshmen Team.

The freshmen led a very exciting season. One game in particular was the one against Chesaning where Brian Spatz intercepted a pass with 40 seconds to go to win the game.

The season ended with 5 wins, 3 losses, and 1 tie. Jim Dey received the award for Most Valuable Player at the freshmen award banquet while both Rob and Mike Price received the awards for Most Improved Players.

The team captains were Bill Dickinson and Jay Peitsch.

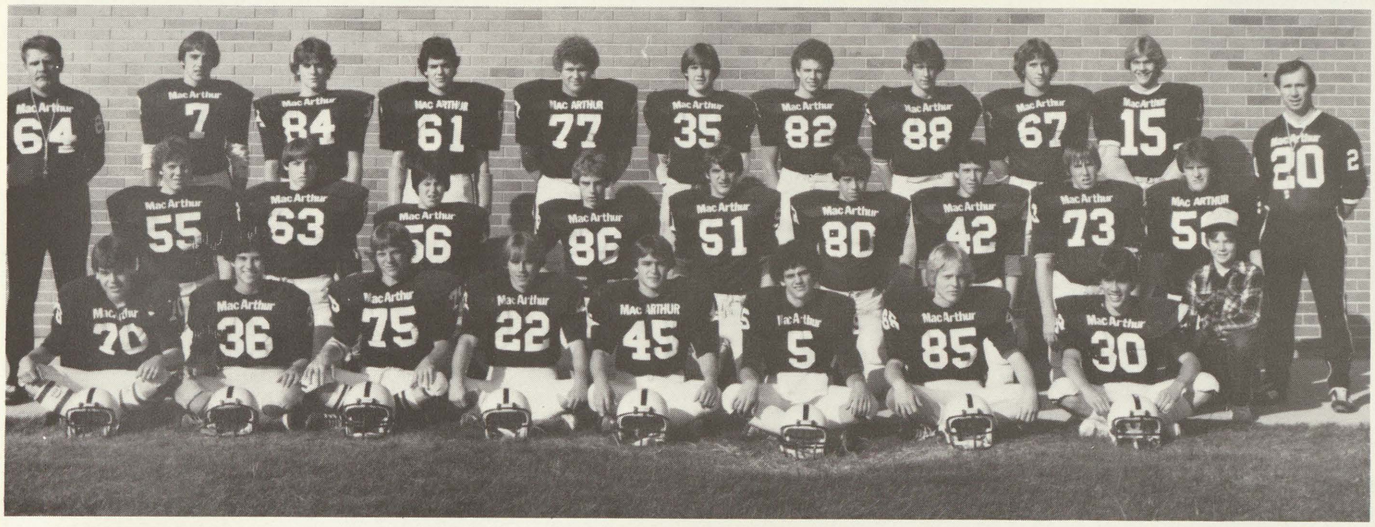
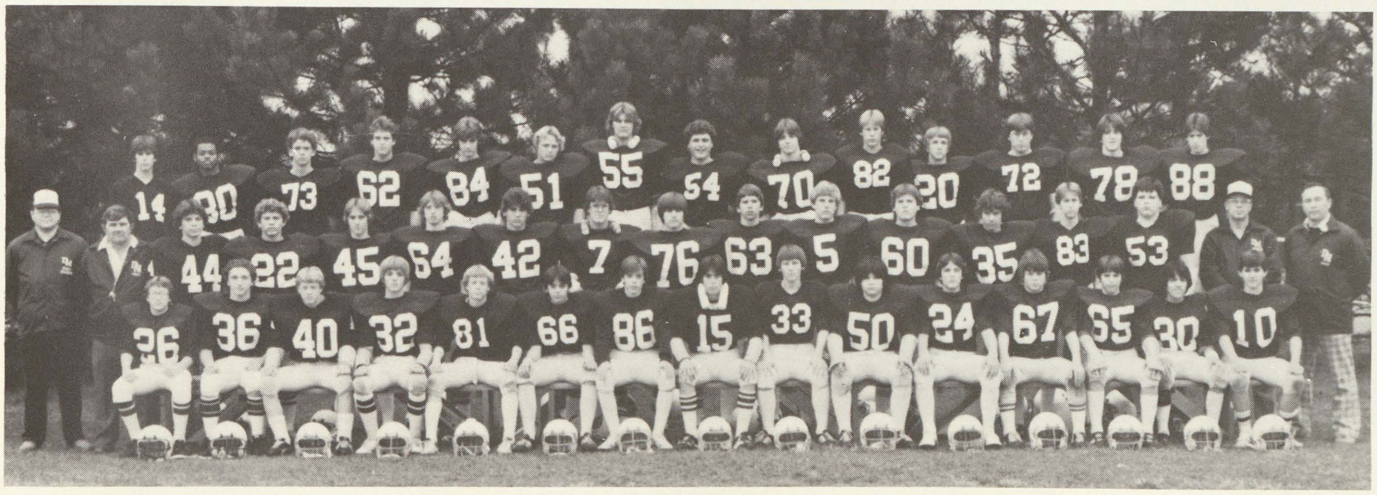
good opportunity to compete for starting positions on next year's Varsity Team,'' according to J.V. coach Mr. King.

The '82 J.V. football season was highlighted with many exciting events such as Rick Giltrop's 37 carries in rushing for over 200 yards in the season's endingwin over Swan Valley, and also the total team effort in a dominating win over Eisenhower to break a 2 game losing streak.

At the annual J.V. banquet Scott Teal received the award for Most Valuable Player while Rick Giltrop received Most Valuable Player for offense and John Kennely for Most Valuable Player, defense. Steve Stewart won the Most Inspirational Player Award and Most Improved Player went to Mark VanHorn.





CHARIOTS OF FIRE

LONG WINDED RUNNERS

After a tough season, not winning a dual meet, the Douglas MacArthur Cross Country Team kept their heads high looking for next year. This was a little peculiar in the fact that there were no seniors on the team, and only 5 juniors. The top runner for DM was Loren Randall who finished in an average place of 1.5. Second was Mike Berg who averaged a place of 2.5. Third place was Paul Martino who sneaked by Eric Heuschele. They finished 3.3 and 3.4 respectively. Special awards were given to Paul Strzyinski for being honorary captain. The team's Most Valuable Runner was Loren Randall and Most Improved Runner was Steve Price.

THE FEW, THE PROUD

Finishing the season with only 9 people, the Douglas MacArthur Varsity Wrestling squad had a good season, winning 2 dual meets. "Dangerous" Dan Dunham and John Manning, the team's captains, went through Districts, Regionals, and both qualified for the State meet. Dan Dunham was named the team's Most Valuable Wrestler and John Manning was named Most Outstanding, while Tony Silva and Jay Kahn were named the teams Most Improved Wrestlers.

"I'm really proud of the guys that stuck it out the whole season. It shows they aren't afraid to lose because of a small squad," commented Coach DePeal.

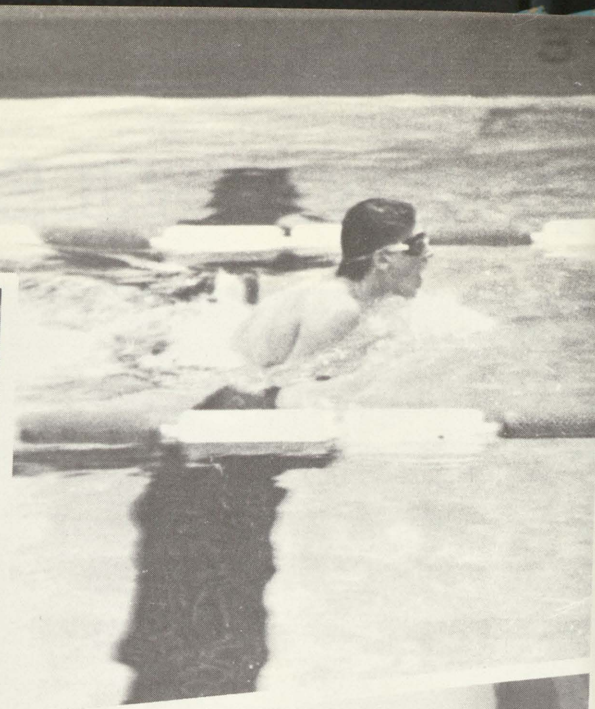
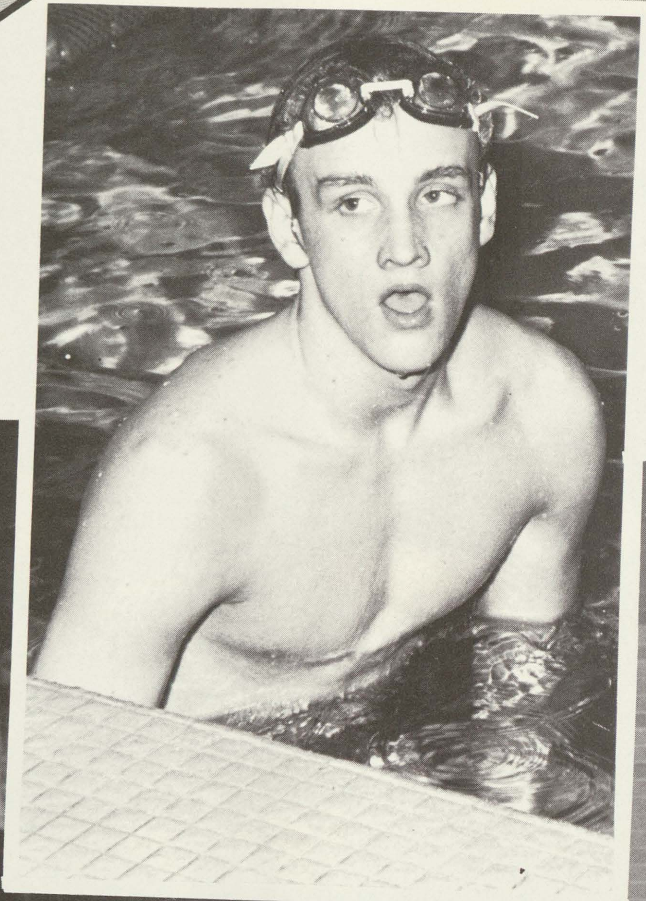
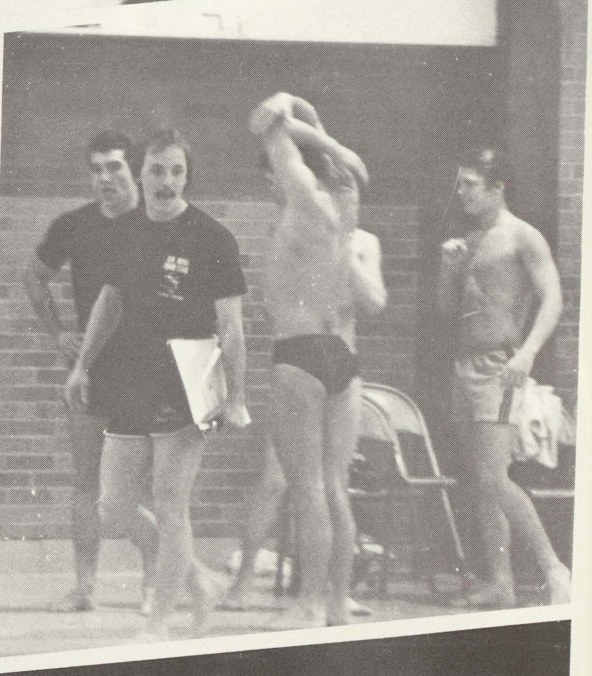
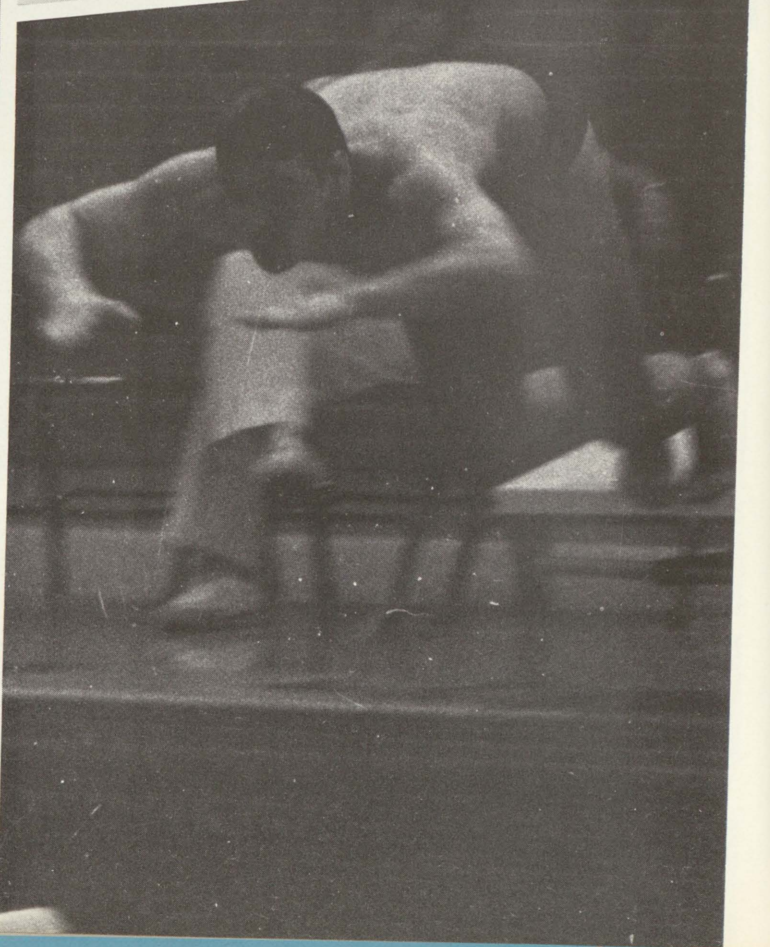
FAST TIMES









THE WETTER THE BETTER

"They are the top swimmers in the area," smiled Coach Bob Oliver. DM Men's swim Team, proved their slogan *THE WETTER THE BETTER*" as they swam their way to another successful season.

Their only loss of the season, against Arthur Hill was a big controversy due to the unusual results of the 400 Free Relay. The back-up timers stated that DM won by 3/10 of a second and some of the judges stated that they also saw DM win. The elelctric timers confirmed that the A.H. relay won. In the official Swim Rule Booklet, the electric timer takes precedent. As a result of the electric timer ruling, A.H. questionably won the meet.

The speedy swimmers placed second in all of their invitational meets which included: Midland Relays, A.H. Relays, Fenton Relays, and the Tri-City Championships.

Seven DM swimmers qualified for State and contributed a great team effort to finish 9th at the state meet in Grand Rapids. Wade King finished 7th in both the 100 Butterfly and 200 Free. Mat Curry put in a great effort in the 100 Freestyle, while teammate Andy Damore added his efforts in the 100 Butterfly. Trent Stumph's superb performances finished him 2nd in the 100 Freestyle and 5th in the 50 Freestyle. The excellent efforts of Wade King, Trent Stumph, Jon Foltz, and Mat Curry finished 7th in the 400 Freestyle (the second fastest time in the area).

Receiving the Coach's Award were Wade King and Mat Curry. The Most Points Award also went to Wade King. The Most Valuable Swimmer was Trent Stumph. Stumph also received the prestigious Walter L. Leesch Award for being the best swimmer in the area. Most Improved Swimmer went to Matt Morley, while Most Valuable Diver was Rob Cullings. Most Valuable Freshman, Sophomore, Junior, and Senior were Mat Curry, Wade King, Jon Foltz, and Mark Frink.

DM divers included the talent of Rob Cullings and Jeff Maize.

The excellent support of managers Katie Dambro and Ann Marie Gonzales was greatly appreciated.

"We had an outstanding year and a lot of improvements. I'm real proud of the team, explained Coach Bob Oliver.

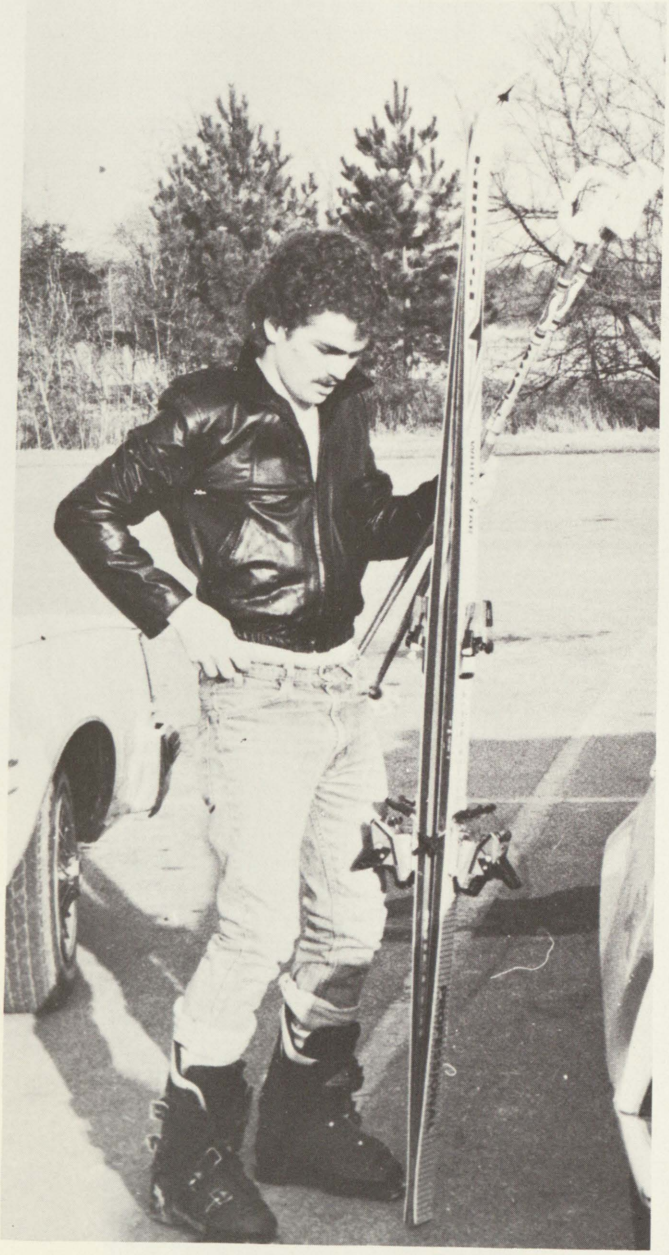
AGILITY

SLALOM RACERS

The more the ski team raced, the better they became. During the regular season, the boy's team ended with a 3-7 record. They received a 5th place in the Divisionals and a 9th place in the Regionals. During the Regionals, the boy's team beat such teams as Eisenhower and Freeland, which they lost to in the regular season. The most outstanding skier on the team was Marty Bingham, who placed 4th in the Giant Slalom during the Regionals. He was .07 seconds away from qualifying for the state meet. This year was the first in a long time that coach Kris Agnew recalls a



team member not going to state.

The girls ski team consisted of Julie Mayer, Bev Day, Beth Pruitt, and Sara Morley. The girls finished their season with a 1-7 record. In the Regionals, Julie Mayer placed in the Slalom and Giant Slalom races. Coach Agnew hopes more girls will come out for the team next year.

This year's ski team might have done much better if it was not for the poor weather conditions. Coach Agnew has confidence the team will be much better next year, since many of the same people will be returning.

This came as a pleasant surprise for coach Jim Keenan, for the team was very young. Their season ended in 12 wins, 2 losses and 1 tie. A lot of success can be contributed to assistant coaches Richard Curry and Bill Paige. Co-captains were Greg Frank and Paul Curry.

Awards were honored to Greg Frank as Best Forward, Tim Rummler for Best Defenseman, Most Improved Player went to Brian Behnke. Due to his leadership, and ability Paul Curry earned the Coach's Award.

Coach Keenan stated "Although both goal tenders are gone, if we can get two more good goal tenders and have a great team, we can expect to win the championship next year."

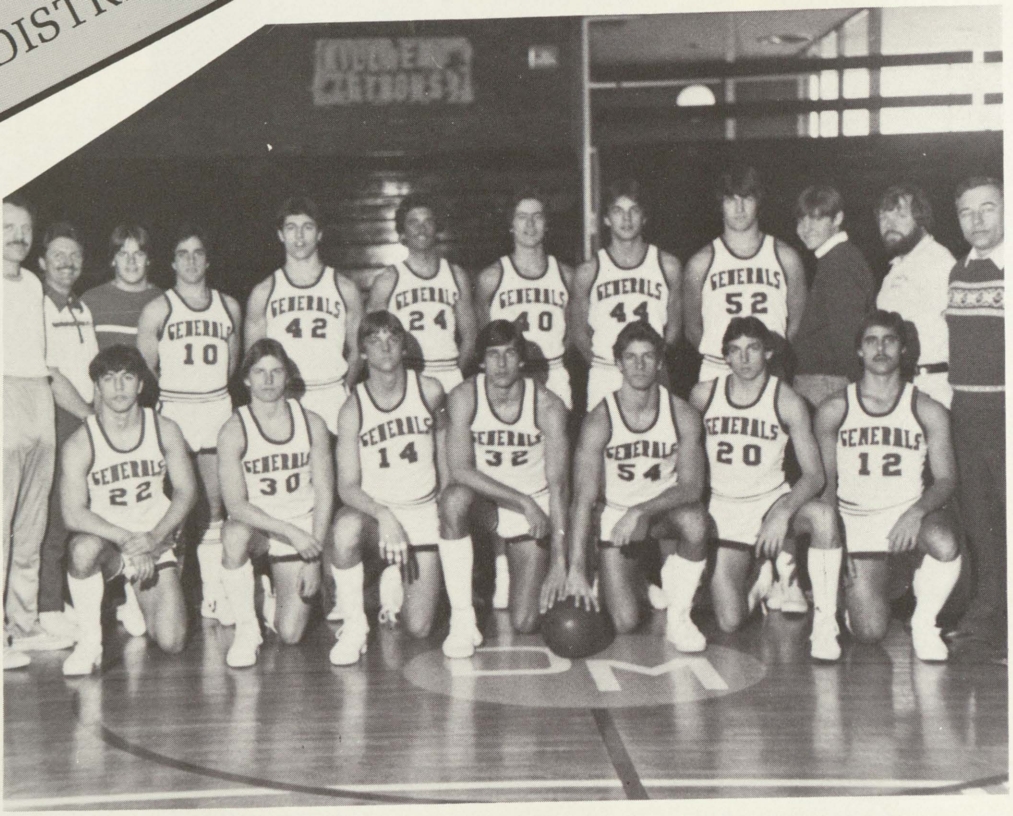
DISTRICT CHAMPS

BEST TEAM EVER....



The 1982-83 Varsity basketball season came to a close with the best record in D.M. history. The Generals held the longest winning streak of 7 games. They finished the season with a record of 16-4, beating the past record wins by 3 games. The Generals went into the tournament games by playing arch-rival Eisenhower, they defeated them 74-52, the third time for the season. The second game was against Buena Vista, who we beat by 9 points, our second win against B.V. for the season. The Generals came out of the tournament games with the district crown. The first district champs for basketball at D.M. The first regional game we played Corunna, they were state champs, and they beat us 66-65. The Generals finished with a 19-5 record. They finished with a second place in the White Pine, 7-3, and were second in the Area Class B.

Mike was also named to the first team All Area Class B.

John Arlt, also had a good season, receiving the Most Valuable Player Award.

Junior Joe Battaglia, received the Pressure Award for free shooting, and an Honorable Mention for White Pine Conference. Chris Buckley received the Most Improved Player Award.

Coach, Mr. Bernie Call, received a lot of recognition from, not only his team, but the fans as well, and did they have the fans!!

TALENTED SHOOTERS

2nd BEST

Total team effort was very rewarding for the J.V. basketball team this year, bringing them to an outstanding record of 12-8. This was also the 2nd best J.V. record in the school's history. It was the most wins by J.V. team in the last 14 years.

"It was personally a very enjoyable season, since I had coached most of these players for two years, and to see them mature and grow into a great team was very satisfying," replied Donahue.

The Most Valuable Player Award went to George Bruske. The Coaches Award went to Tim Johnson, and Jeff Kremin received the Most Improved Player Award.

The Freshmen "A" team had a season record of 9-11, with the top scorer of the team being Robert Groll. The Defensive Award went to Junior Perez, and Tim Harris received the Most Improved Player Award. The Coaches Award went to Calvin Matz.

The Freshmen "B" team finished the season with an outstanding record of 13-5. Bill Dickinson received the Most Valuable Player Award. The Most Improved Player Award went to Jim Hill, and the Defensive Award was received by John Macphail, with the Coaches Award going to John Propp.

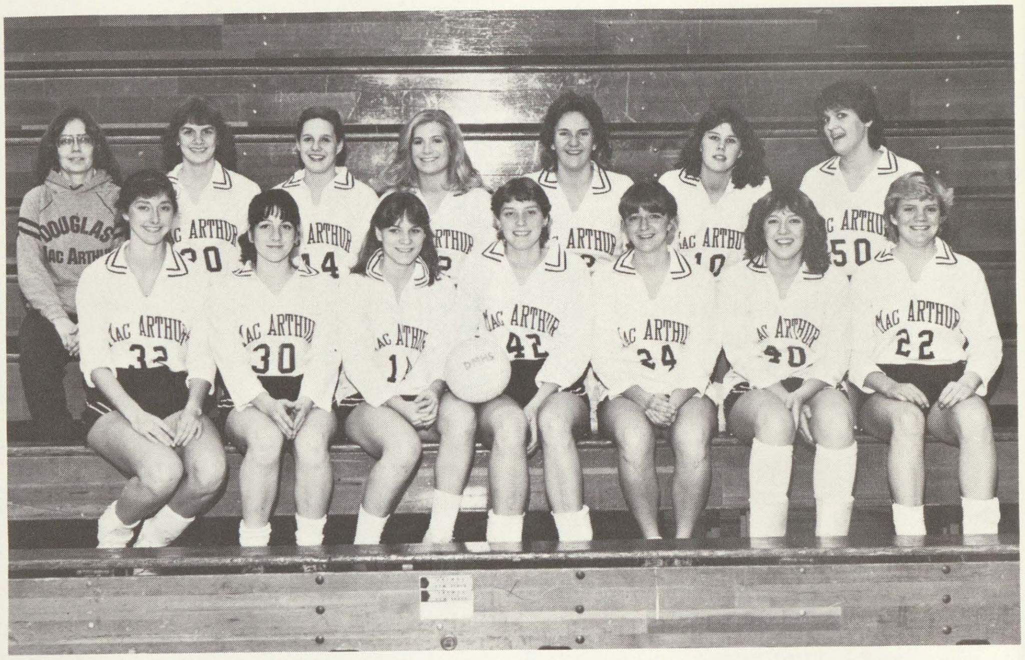
BOUNCIN' AND BEHAVIN'

"SPUNKY SPIKERS"



The season was one to remember. Most players were hard working, dedicated athletes; each talented in their own way, working hard for that victory. "The team lacked the killer instinct, the ability or the desire to put the other team away when they were down. We sometimes tended to let up or lose interest in easy games," commented coach Nancy Burnham. Miss Burnham also stated, "this volleyball team was the most talented and mo [illegible] sful team I have had in [illegible] coaching." They had a 1 [illegible] ecord, and a 8-2 conferen [illegible] Six out of the seven loss [illegible] uring a period when two [illegible] rs (spikers) were out due [illegible] ries. "The J.V. volleyball team was a very good team," commented Coach Elmer Schultz," especially for a first year coach. Because of their ability to blend and mix their personalities, and their desire to learn, it provided for relaxed and fun practices."

With its 9-7 win and lost record, the J.V. volleyball team did not play up to its potential, with inconsistent serving being the biggest problem. But with a year of experience and their desire, they will help make D.M.H.S. a volleyball power next year.

The Most Improved Player was Cathy Pfund. The Most Dedicated Players were Molly Buckley and Cheryl Ferritto. The Most Valuable Player was Cindy Schaeff, and the team member with the best sportsmanship was Jenny Hausler.

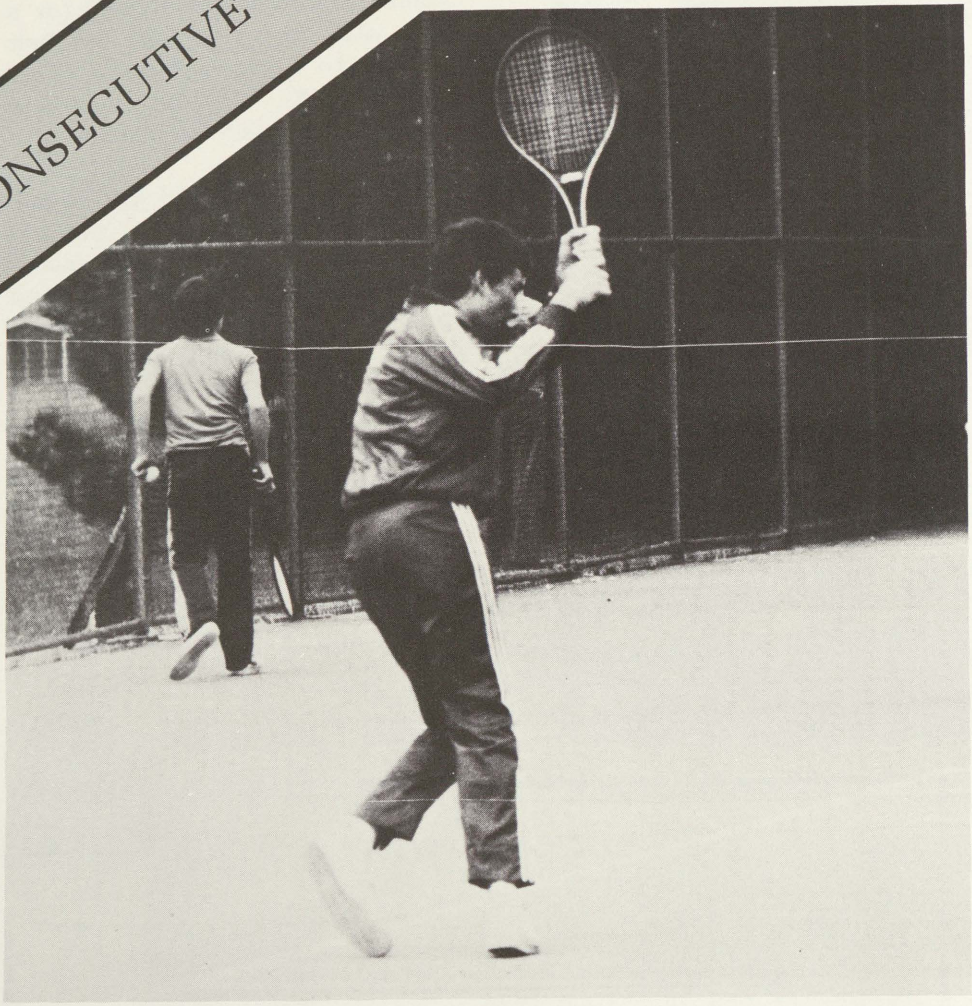
16 CONSECUTIVE YEARS

WHITE PINE



The 1982-1983 Boys' Tennis Team definitely had their work cut out for them. Douglas MacArthur's record as a great tennis school dates back many years, so the boys were under pressure to maintain, at least, the status quo.

The young men came through with flying colors though as they captured many invitationals and compiled a fine win-loss record.

In dual net action within the White Pine Conference, the team finished the season with a spotless record, 8 wins and 0 losses. In matches, both conference and non-conference, their total record was 10-1, with their only loss coming from Class A powerhouse Midland Dow.

MacArthur dominated two of the three invitationals they were in: at the Ludington Invitational they finished in first place with 28 points; at the MacArthur Indoor Tournament they also captured first place by besting the second place team, Mason, by eight points; in the

CHAMPS AGAIN!

MacArthur Invitational, they finished in a fourth place out of a field of eight.

At Regionals, which were held at MacArthur, the team took the title while making a clean sweep of all the flights, both singles and doubles.

MacArthur also proved to be the best at the White Pine Conference Chanpionships where Pat Johnson captured the 1 singles spot; Brad Hammerschmidt 2; Kurt Hammerschmidt 3; Tom Basil 4; 1 doubles duo of Brad Kessel and Marty Bingham; 2 doubles William Cho and Skentzos. This was the 16th consecutive White Pine Championship won by the DMHS Boys' Tennis Team.

MacArthur ended up with a sixth place finish in the State Meet which was held at Sturgis. It was a very successful year for the DM "racketeers" and they obviously proved they could handle the pressure.

"Girls' soccer, in only their second full season, saw the girls playing a tough schedule consisting of many top ten teams. Our rapid improvement fell two goals short in the season-ending game against Eisenhower," commented Coach James Stone.

Three shut-outs were completed by goalie Cathy Pfund while Michelle Dickelman added one. Robin Crigger received the Most Improved Offensive Player Award, while both Cathy and Wendy Propp received an award for the Most Improved Defensive Player.

Another addition to the Athletic Department was a J.V. Team. Mr. Cleveland and Mr. Leak coached the girls to their first successful season. Their win-loss record was 5-3 while tieing one game. They played such teams as Midland, Okemus, Valley Lutheran, and even arch-rival Eisenhower. Sarah Leak was named Most Improved Offensive Player while Mugs Cullings captured it for defense.

Mr. Cleveland commented,"It was easy to notice the girls' excellent progress in their skills and they are definitely ready for varsity next spring."

"Seasonal record does not show justice as to how well the Varsity Softball team placed this season," observed Coach Sue Skully. "Also injuries played a major part in our season as to win-loss record," added Skully. Many loses by the Varsity team were by only one run but caused them to work even harder. The Varsity Team was captained by Kris Johnson and Bonnie Gleffe.

The Defensive Award went to Kerry Muhlenbeck. Martha Ryan received the Leading Hitter Award, and The Most Improved Player Award went to Barb Beck with the Sportsmanship Award going to Kelly Schadel.

Coach Kaligian took the 83' Varsity Team to a 19-9 season. Jeff Kaufman led his temmates with an outstanding performance in the batting department. He had the highest batting average on the team with a .427.

Some people say that pitching is the name of the game and it was for pitchers Dave Boissennault and Scott Jacqmain whose win loss records were 7-2 and 6-3 respectively. At the Annual Team Banquet the following players received awards: M.V.P. David Boissennault, M.I.P. Joe Loicanno, Batting Champion Jeff Kaufman, Defensive Player Jim Hopkins. The team was co-captained by Jeff Kaufman and David Boissennault. According to Coach Kaligian, "This was the most enjoyable team that I've worked with since I've coached highschool baseball."

SPECTACULAR RECORD SETTERS

New DMHS girls' track records were set this year by: Karen Frick, discus 108'1"; Amy McQuillan, 110 hurdles 15:3 and 330 hurdles 49.0; and Karen Kleinfeld 330 hurdles 49.0.

"The team worked hard," quoted Coach Call. "This is the first year that we have ever had hurdlers qualify for the State Meet. The only drawbacks of the track team," Call added, "were that they are young and inexperienced."

Elected the Most Valuable Team Members were Amy McQuillan and Karen Kleinfeld. Most Dedicated went to Ann Martuch, and the captain of the team was Lisa Kennelly.

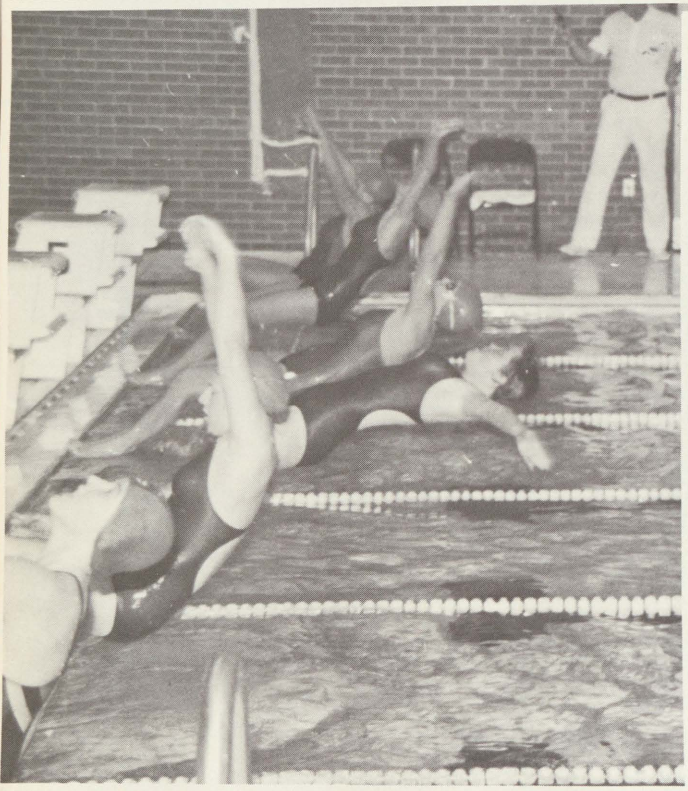
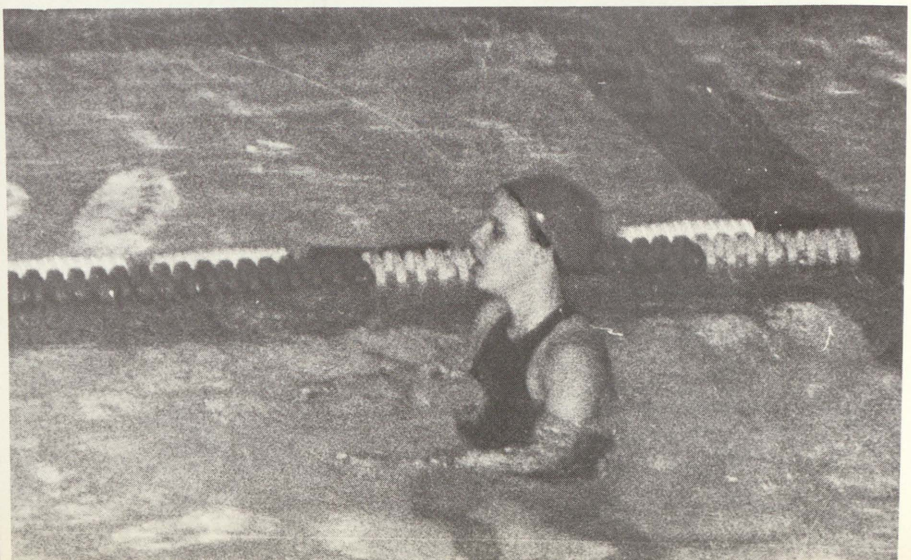
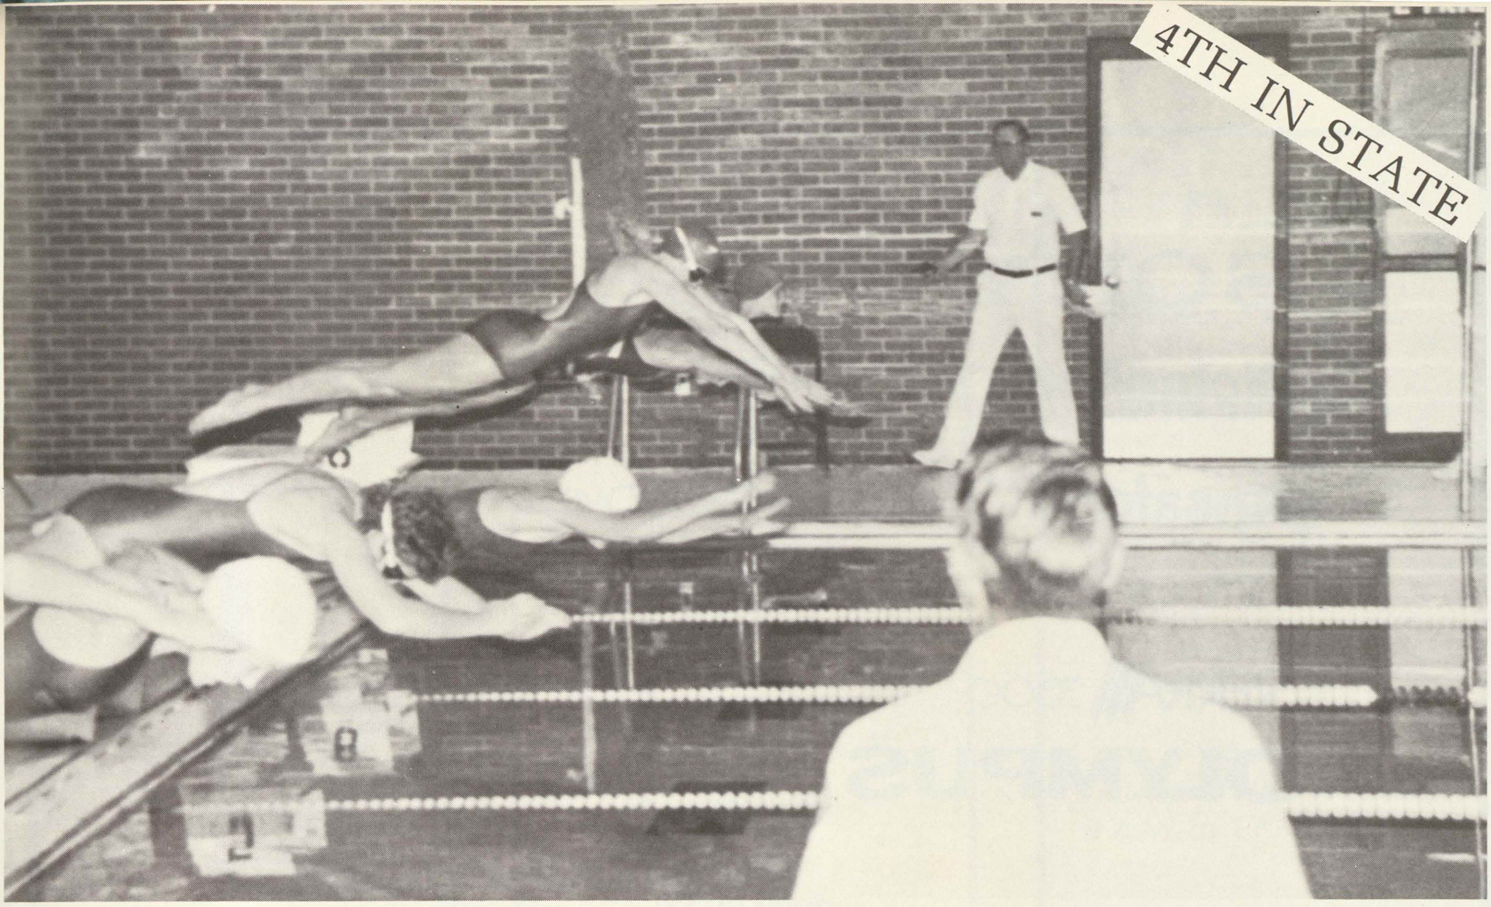
SUPERB SWIMMERS





4TH IN STATE



THERE ARE TWO KIND OF PEOPLE IN THE WORLD SWIMMERS.......... AND THOSE WHO WISH THEY WERE.

Hard, Long hours of practice payed off as the Superb Swimmers of DMHS stroked their way to another very successful season. They ended their dual meet competition with a very impressive 11-1 record.

The speedy swimmers of DM took 4th in the Midland Relays and 1st at both the Tri-City Champs and the Swartz Creek Invitationals.

At the State Meet this year DM swimmers did an excellent job of placing 4th overall. Ten very talented swimmers qualified fo state competition in Grand Rapids. At the State Finals Molly Finn, Christie Patterson, Stephenie Graft, and Allison Klump finished 6th in the 200 yard Medley Relay. Becca Majoras finished 4th in the 200 IM and 3rd in the 100 Fly. Bonnie Gleffe finished 2nd in the 50 and 100 Freestyle. Allison Klump finished 11th in the 100 Breaststroke, while teammate Christie Patterson finished 12th. The 400 Free Relay finished 2nd, with Molly Finn, Mindy Glatz, Becca Majoros, and Bonnie Gleffe.

Special awards were presented to Most Outstanding, which was Bonnie Gleffe. Bonnie also received the Raymond Hart Award for the Most Outstanding Swimmer in the Area. Most Improved Swimmer went to Stephenie Graft, while receiving the Coaches Award were Allison Klump and Sue Bricker.

John Muzilin, known as "Muzz", coached the team again for his 6th consecutive season.

DM divers were large in numbers and big in points this year. The four divers were Margaret Cullings, Sky Ross, Cathy Danhoff, and Ann Gonzales.

Sky Ross and Mugs Cullings did an outstanding job by placing 4th and 1st in the Tri-City Champs. Ross and Cullings placed in the Regionals and went on to dive at the State Meet.

DM managers were Kate Dambro (86) and Kelly Flynn (83).

Unfortunately DM will be losing the "Kiddie Core." These girls are seniors this year who have all made it to State since their freshman year and were then nick named this because they were all so young to be going to the State Meet. They are: Becca Majoros, Bonnie Gleffe, Christie Patterson, Molly Finn and Mary Pfund.

(*lower right*) Bonnie Gleffe gasps for air as she finishes 2nd in her freestyle event at the State Meet.

(*lower left*) Gleffe and Majoros look on as Mary Pfund shows a little emotion on Senior night.

(*middle right*) Seniors pose for a smile on Senior night as they receive their traditional roses and carnations.

(*middle left*) The race has just begun for Sandy Dorward and Sue Andrews in the 100 yard Backstroke at Tri-City Champs.

(*Opp. top*) Off to a flying start in the 50 Freestyle at the Tri-City Champs are Generals, Bonnie Gleffe, Molly Finn, Mindy Glatz and Stephanie Graft.

(*top*) DM Girls Swim Team: Bottom Row: left to right; Ruth Rosenbaum, Julie Wregglesworth, Cathy Danhoff, Ann Gonzales, Julie Toft.
Second Row: Stephanie Graft, Sky Ross, Lisa Richards, Jenny Zolinski, Margaret Cullings, Polly Ordway, Lisa Lichon.
Third Row: Sara Biron, Robin Crigger, Holly Robertson, Pam Walton, Marie Johnson, Kim Leesch, Sue Andrews, Amy McIntyre.
Fourth Row: Mary Pfund, Bonnie Gleffe, Becca Majoros, Christie Patterson, Molly Finn, Allison Klump, Sandy Dorward, Mindy Glatz, Sue Bricker; manager, Katie Dambro.

NATIONAL NEWS

CATCH A RISING STAR

ECONOMY UP

The state of Michigan saw a new Governor get elected during the 1982-83 school year. When all the ballots were counted, Democrat James T. Blanchard was Michigan's new Governor. He bested Robert D. Tisch and Richard Headlee.

Due to the tax situation, an attempt was made to oust Blanchard headed by the Recall Blanchard Committee.

On Wednesday, May ll, 1983, the Comet Iras-Araki-Alcock passed by the earth. It was the closest pass made by any comet in more than 200 years. On the eleventh, the comet was within 3.1 million miles of our planet. It could be seen near the Big Dipper and west of the constellation, Leo.

A powerful earthquake rocked a small town in California. Coalinga, California,was hit by what was labeled "the most destructive" earthquake since 1971. The major quake was centered 5 miles northeast of Coalinga and 20 miles east of the treacherous San Andreas Fault. It registered a mighty 6.5 on the Richter Magnitude Scale.

The earthquake left 6,500 people in the San Joaquin Valley with limited power and phone usage and no water. It was felt from end to end in California and as far east as Las Vegas, Nevada.

There was good news in store for the nation's economy in 1983. After several years with a failing economy, things finally started to look up. Domestic automakers said they would be calling back approximately 6,900 workers from indefinite layoffs.

During the month of April, production was increased by a whopping 2.1%, more than any month in 8 years. Wholesale prices decreased by .1% in April, the third month of decline in the year.

COMMUNITY

PROJECT OUTREACH

What would you call a one day seminar that brought together more than 150 students from two rival high schools where they discussed any subject from drugs to lifetime plays and careers? The answer is Project Outreach!

The student leaders were involved in various activities such as: student-only discussion groups, information seminars and an opportunity to direct questions to local and state school officials.

The main reason for the seminar was to receive feedback from the students on their education thus far and find out how they feel the schools could do a better job.

The day long session included many information and enjoyable mini classes such as microcomputers, stress, career planning, the law, leadership skills, financial aid for college, and school spirit.

Most involved felt the day was a success and that a lot of good came out of Project Outreach: it brought students from Eisenhower and MacArthur closer together

TOWNSHIP

TO BE OR NOT

Whether or not Saginaw Township should become a city was an important issue during 1982 and early 1983.

Saginaw Supervisor Rudolf Scmitt and interested Township citizens collected signatures on petitions and presented them to the State Boundary Commission requesting a ballot that the Township would change to city status.

But Westhaven, the proposed name for the city, was not to be, as Saginaw Township prevailed with a vote of 5,181-759 in an election that saw only 27% of the registered voters cast ballots.

SMOKING ISSUE

Whether or not to establish smoking areas at DM and Eisenhower H.S.'s was a question that weighed heavily upon the Saginaw Township School Smoking Advisor Committee.

Michigan law reads that any person under 18 years of age who smokes or uses cigarettes on a public street, alley, park or highway or other lot used for public purposes or in a public place of business may be arrested by an observing police officer. Because smoking is a misdemeanor, designating a campus smoking area would be allowing minors the right and privilege to smoke and would be violating the law.

RECALL ELECTION

Three high ranking Township officials faced a recall election November 2, 1982: Supervisor Rudy Schmitt, Clerk Clemens O. Putz, and Treasurer Roland Jersevic received the support of the majority of votes in the election to retain their respective offices.
